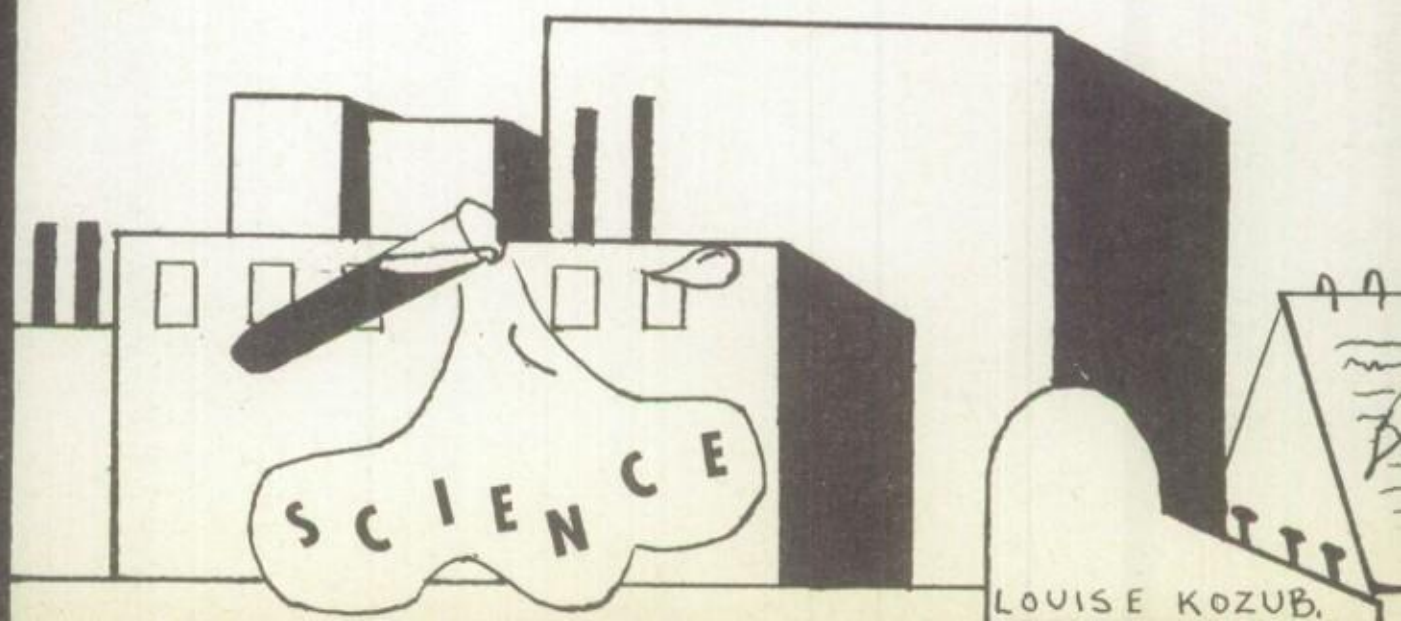
1958 - HISTORY

In unfolding the history of the class of 1958, we recall the beginning of our school days as happy kindergarteners. The activities in our grammar school life were comparatively similar, but due to circumstances, the activities were enjoyed in different schools. In our first few years in school, we came in contact with many new friends, learned the basic 3 R's and enjoyed the privilege of taking part in plays for commemoration of different occasions. Fifth grade brought the world of geography and other subjects to us in a new medium. The Blasdell sixth grade consisting of 58 students eager to join the ranks of Junior High School, graduated in June, 1952. During the exercises, an imaginary trip was taken around the world, by songs and poetry. The girls were decked out in white frilly dresses, and the boys, in dark suits. After the graduation, the boys and girls picked Dairy Island as their place of celebration. We will always remember this graduation, especially from some of the pictures that were taken. (Remember the one you spoiled, Kush?)

As seventh graders, we participated in activities such as entertaining the eighth grade with a party, a picnic at Letchworth Park and a trip to Fort Niagara. Because of the crowded conditions, the seventh and eighth graders of Wanakah School, invaded the peacefulness of the Wayside Church basement. In our last year of grammar school, we enjoyed moving-up day exercises, parties, and — oh yes, there was a certain group of Charleston dancers performing at PTA. (Remember this Fred, you were the only boy, a crazy fur-coated Charleston dancer.) After passing the difficult Regents exams, we enjoyed the privilege of attending graduation exercises. A variety of speeches were presented, and songs were sung to celebrate the occasion. Now there were only two schools attended by the class of '58 — Blasdell and Woodlawn. Our Freshman year was full of frolics by the attendance of students at picnics, dances, and parties. The students of Blasdell will never forget the fun Mr. Miller contributed to the party. The Freshmen of Woodlawn had just as much fun sponsoring a dance, "The Apple Blossom Swing."



UNFOLDS-1958

In our Sophomore year, the schools of Blasdell and Woodlawn merged for the first time in one building. The Class of '58 was greatly enlarged.

Our Junior year revealed a great friendship between the two school groups. Many of us were uniting to make hits of dances, parties, and our first prom. The prom turned out to be an all-night affair, with prizes, dancing, and a breakfast for the people who stayed for the festivities. Thanks to the efforts of the Board of Education, PTA, and other community groups, entertainment was provided without any additional cost to the students. This prom was one of the first of its kind at Frontier. We are proud to say that the journalistic geniuses on the original staff of the Frontier Hi-Lites are members of the class of 1958.

This last year of our school life is one to be well-remembered. Our school days have swiftly come to a close, as we reminisce. This year we elected class officers: President, Bill Vogt; Vice-President, Ruth Hesslink; Secretary, Gert Tara, and Treasurer, John Schmidt. We selected a standard school ring, date for graduation, calling cards and announcements, measurements for caps and gowns, and many other pleasurable events. The first dance by the Seniors was the Satellite Swing, and the second was Cupid's Caper. Our Christmas Party proved to be a wonderful success as it included volleyball, swimming and dancing. In January, many new seniors were included in the class as a result of their passing final exams. Our two big projects for the month of March were the Senior Play and the yearbook. Credit for the Senior Play, "Father Knows Best," goes to Miss Songer, for her superb direction of an inevitable success. The Senior section of the yearbook was rushed to press by our busy Mrs. Eyman. Huge preparations were started for the Junior-Senior Prom, the highlight of the year, apart from graduation. After the prom, came Regents week, a period of extensive study and preparation for the ordeal which lay ahead. The climax of our school years approached rapidly. Each graduate left school with fond and sad memories of his past school life, something dear to take with him as a remembrance of his past life at Frontier.

STUDENT COUNCIL OFFICERS

J. Saunders, *President;* C. Rush, *Vice-President;* P. McMahon, *Secretary;* D. Gardiner, *Treasurer.*

Student Council sponsored many activities which stimulated the students' interest. The Foreign Exchange Program high lighted this year's activities. Many enthusiastic communities contributed strongly to the Foreign Exchange Program with the co-operation of Adult committees which resulted in a successful program. The need of a movie camera to benefit the entire school was brought to our attention in early fall. After investigating and interviewing camera salesmen, a final purchase of a Bell-Howell was made. Student Council presented a Goodwill Assembly, to make a charitable atmosphere throughout the school, as students at F.C.S. filled their goodwill bags in April.

Our varsity football team had a very unsuccessful year with 6 losses and no victories in Division I of the E.C.I.C. The coaches of the varsity team, Mr. Meade and Mr. Grottanelli, worked very long and industriously and their efforts were rewarded with a constant improvement as the season progressed.

After 25 years of successfully coaching varsity football, Mr. Meade announced that this year was his last.

Junior Varsity, coached by Mr. O'Reilly and Mr. Walsh, also had a difficult time on the field. They had 1 tie against 5 losses. There are many boys who are expected to help give us a successful varsity season in '58.

The Varsity soccer team, coached by Mr. Darvell, has improved its record this year. The first set-back of the season came when John Schmidt, one of the top players, had to drop out because of a foot injury. However, with tremendous drive and spirit, the team came up with 4 wins and 6 losses for the season which put them in top place on the Double A Division. The team will have 13 lettermen returning next year. Some of the J.V. players, who have had field experience, will move up to fill in vacant places on the Varsity team.

The J. V. squad's record of 5 wins, 5 losses was almost as good as the Varsity's. Many J. V. players will move up to Varsity next year and great things are expected of the Freshmen who are to take their places. Coach Gollwitzer has high hopes for this squad next year.

CROSS COUNTRY

Back Row, Left to Right: Mr. Pempsell, D. Stanek, J. Patterson, T. Kepler, D. Olson, W. Vogt, H. Linkner, R. Cadwell, F. Baratta. *Front*: A. Vento.

During the 1957 season the Cross Country team managed to gain a good feeling of enthusiasm, even though the season wasn't as expected. The team not only created a good attitude towards their new coach, Mr. Pemsell, but they also appreciated the work and effort Mr. Pemsell put into their training. Although the eight meets, including three dual meets, three school participation meets, the Invitational run at East Aurora and the Sectional Championship at Springville, were unsuccessful, the hopes are very promising for the team next season.

The Frontier Central Swimming Team of 1957-58 had a very successful season. Despite having eleven losses in league competition, the swimming team had two wins in practice meets, breaking all school time records. In the E.C.I.C. Championship, six ribbons were won by our swimmers. These ribbons were won by: Mike Corrigan who made the 100 free style in 59.5 seconds, Dieter Heinze, who won the 75 yard medley in 47.9 seconds, and the free relay team of Bill Vogt, Dick Draper, Heinze, and Corrigan, who are to be congratulated for winning the race in 1:48.9.

When asked about the season's progress and the possible prospects of next year, Mr. Walsh, the swimming coach, said, "There is vast improvement over last year and next year can't be anything but better."

Faced with the problem of the loss of four of his previous season regulars, Coach Johnson did an excellent job of forming an almost all-new team.

The loyal Frontier fans were rewarded during the season by many outstanding victories. Two triumphs over arch-rival Hamburg, and the defeat of Amherst for the first time in six years were the varsity highlights.

Despite the lack of height, the squad was well-balanced and established an overall record of 7 and 9.

The Junior Varsity team, coached by Mr. O'Reilly, defeated Hamburg and closed the season with a 4 and 12 record. Coach and team alike, agreed that the season was invaluable as far as experience was concerned.

Frontier's Freshman Basketball team attained one of the most successful seasons in recent years. Coach Baker led his team to the Div. I Frosh Championship with a record of 9 and 2, after downing Cleveland Hill.

All coaches agreed that prospects for the future look bright as they gaze into the (crystal) basketball.

Frontier's '57-'58 wrestling team closed its season with a 2-12 league record. Although their wins were few and far between, the majority of the squad will return next fall to reopen the season with months of experience to their advantage. Through the leadership of Coach Mead, it's a sure bet that Frontier's "Matmen" will be the victors of all future matches.

Under Mr. Dietz' wise supervision, Frontier's 1957 volleyball team earned 5 wins and 7 losses. Our team captained by Joe Di Matteo, is a part of Division I in the Erie County Interscholastic Conference.

The 1957 baseball season was a very successful one for the two teams representing Frontier Central. The baseball record was 23 won, 5 lost. Frontier Varsity, coached by Mr. Dietz, compiled 11 wins and 4 losses. Our defeat by Williamsville in the first playoff game eliminated us from the playoffs. The Varsity were runners up in Division I of the E.C.I.C. and A.A. in Erie County. We crushed Maryvale with a 17-1 victory and also East Aurora with a final score of 21-2. Our two Hamburg games were memorable ones with each going into extra innings. Hamburg and F.C.S. won one each by a 1 point victory.

Mr. Baker's Junior Varsity had a sparkling record of 14 wins and 1 loss. The team set amazing records with 117 runs, an average of more than 13 runs per game, and more than 5 players maintained a batting average over 400. The only J.V. defeat was Hamburg's 2-0 victory over the Blue and White.

The track practice in '57 started in mid-April, with fifty-five boys of all sizes turning out for the track and field events. We had a large group of freshmen. Our field was put into shape and by May 12th, we had our first track meet at Frontier. They won one and lost the rest of the eight meets, but things wern't as bad as they appeared to be. Even though the team lost, many individuals showed a great amount of drive and stamina in the performance of their events. Tom Kepler as a Junior, set the quarter-mile track record at Frontier and also did high jumping. Bill Vogt set the pole vault record, with Rich Draper pushing him all the way. Jim Wilson was our half-miler and a good one at that. Deiter Heinz proved to be very good as a dash man and was followed by many promising young boys. Some of them to mention just a few are Ray Stoner, Dave Kruck with the shot and discus, Peter Goetz in the broad jump, and Dave Rasinowski in 220.

Mr. Grottanelli, who has been coaching Track for 7 years, is looking to the returning lettermen and upcoming freshmen and sophomores for next year's squad. With these boys and a bigger turn out in 1958, he expects to improve on last year's record.

This year the Frontier Aquatic Association presented a water show entitled "United Waters." Besides the show this organization was in attendance at the U. B. Synchronized Swimming Workshop and they presented the Women's Faculty Student Basketball game. The girls ended up the year with an Awards Dinner.

The officers are President, Judith Saunders; Vice-President, Ruth Hesslink; Secretary, Linda Stevens; and Treasurer, Marlene Barrera; with Miss Pinkowski as director and instructor.

A girl belonging to the organization gains these things: skill and grace while in the water, a chance to participate in a personal sport, a chance to be original, and she can work with other girls towards a common goal.
